1. Extension Installation

- Extract the zip folder and upload our extension to root of your Magento 2 directory via FTP.
- Login to your SSH and run below commands step by step:
 - php bin/magento setup:upgrade
 - For Magento version 2.0.x to 2.1.x - php bin/magento setup:static-content:deploy
 - For Magento version 2.2.x & above - php bin/magento setup:static-content:deploy -f
 - php bin/magento cache:flush
- That's it.

2. Registration for Site & Secret Key

To use Google Invisible reCAPTCHA, you have to register your domain with Google and get a site key. Simply visit <https://www.google.com/recaptcha/intro/invisible.html>, click **“Get reCAPTCHA”**, select **“Invisible reCAPTCHA”**, add domain, accept the terms and click register to get the site key and secret key.

The screenshot shows the Google reCAPTCHA registration interface. At the top left is the reCAPTCHA logo. A red box highlights the text: "Register your domain to get site key & secret key to use invisible reCAPTCHA". Below this is the heading "Register a new site".

The "Label" field contains the text "For example, example.com: Comments page".

The "Choose the type of reCAPTCHA" section has three radio button options:

- reCAPTCHA V2
Validate users with the "I'm not a robot" checkbox.
- Invisible reCAPTCHA
Validate users in the background. (This option is highlighted with a red box.)
- reCAPTCHA Android
Validate users in your android app.

The "Domains" section has a text input field containing "meetanshi.com". A red box highlights the text "Add your domain name" with an arrow pointing to the input field.

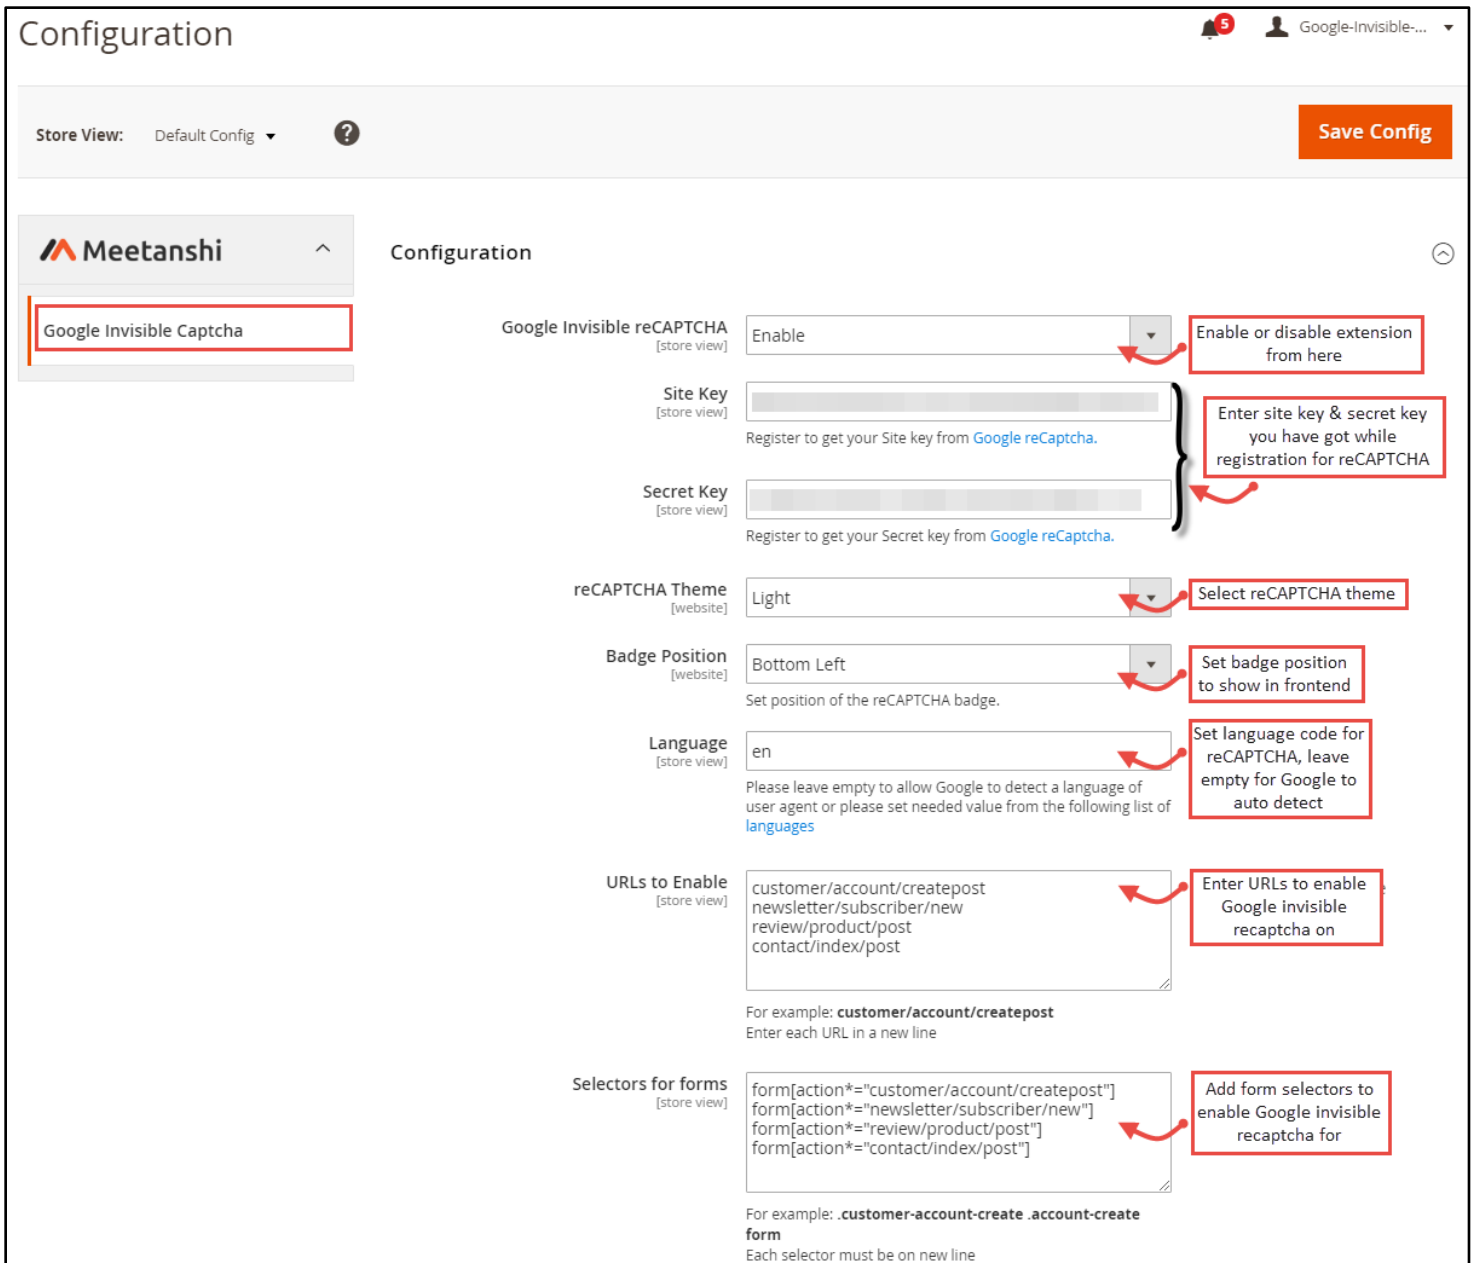

Below the domains is a checkbox labeled "Accept the reCAPTCHA Terms of Service." which is checked. Below this is a paragraph of text: "You agree to explicitly inform visitors to your site that you have implemented the Invisible reCAPTCHA on your site and that their use of the Invisible reCAPTCHA is subject to the Google Privacy Policy and Terms of Use. By accessing or using the reCAPTCHA APIs, you agree to the Google APIs Terms of Use, and to the Additional Terms below. Please read and understand all applicable terms and policies before accessing the APIs." Below this text is a link: "reCAPTCHA Terms of Service".

At the bottom left is a checkbox labeled "Send alerts to owners" which is checked. At the bottom right is a blue "Register" button. A red box highlights the text "Click to register" with an arrow pointing to the "Register" button.

3. Configuration

Once you have got site key & secret key, login to Magento 2, move to **Stores → Configuration** where you can find various settings to enable the extension.

- **Google Invisible reCAPTCHA:** Enable or disable the extension from here.
- **Site Key:** Enter the site key you have got while registering for reCAPTCHA.
- **Secret Key:** Enter the secret key you have got while registering for reCAPTCHA.
- **reCAPTCHA Theme:** Select theme to match with your store theme as per convenience.
- **Badge Position:** Set badge position to show in frontend.
- **Language:** Set language code for reCAPTCHA, leave empty for Google to autodetect.
- **URLs to Enable:** Enter the URLs to enable Google Invisible reCAPTCHA on.
- **Selectors for forms:** Add form selectors to enable Google Invisible reCAPTCHA on.

Configuration

form[action*="customer/account/createpost"]
form[action*="newsletter/subscriber/new"]
form[action*="review/product/post"]
form[action*="contact/index/post"]

For example: **.customer-account-create .account-create form**
Each selector must be on new line

4. Google Invisible reCAPTCHA in Frontend

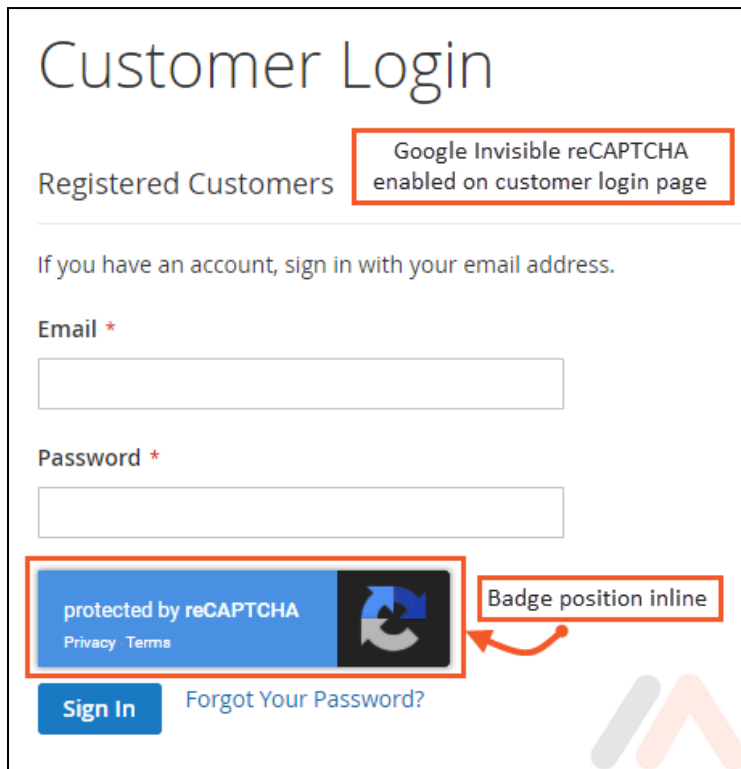

Once you have configured the extension successfully, you can see the reCAPTCHA badge enabled on all the pages and forms you have set from backend.

- **Invisible reCAPTCHA on Customer Registration Page**

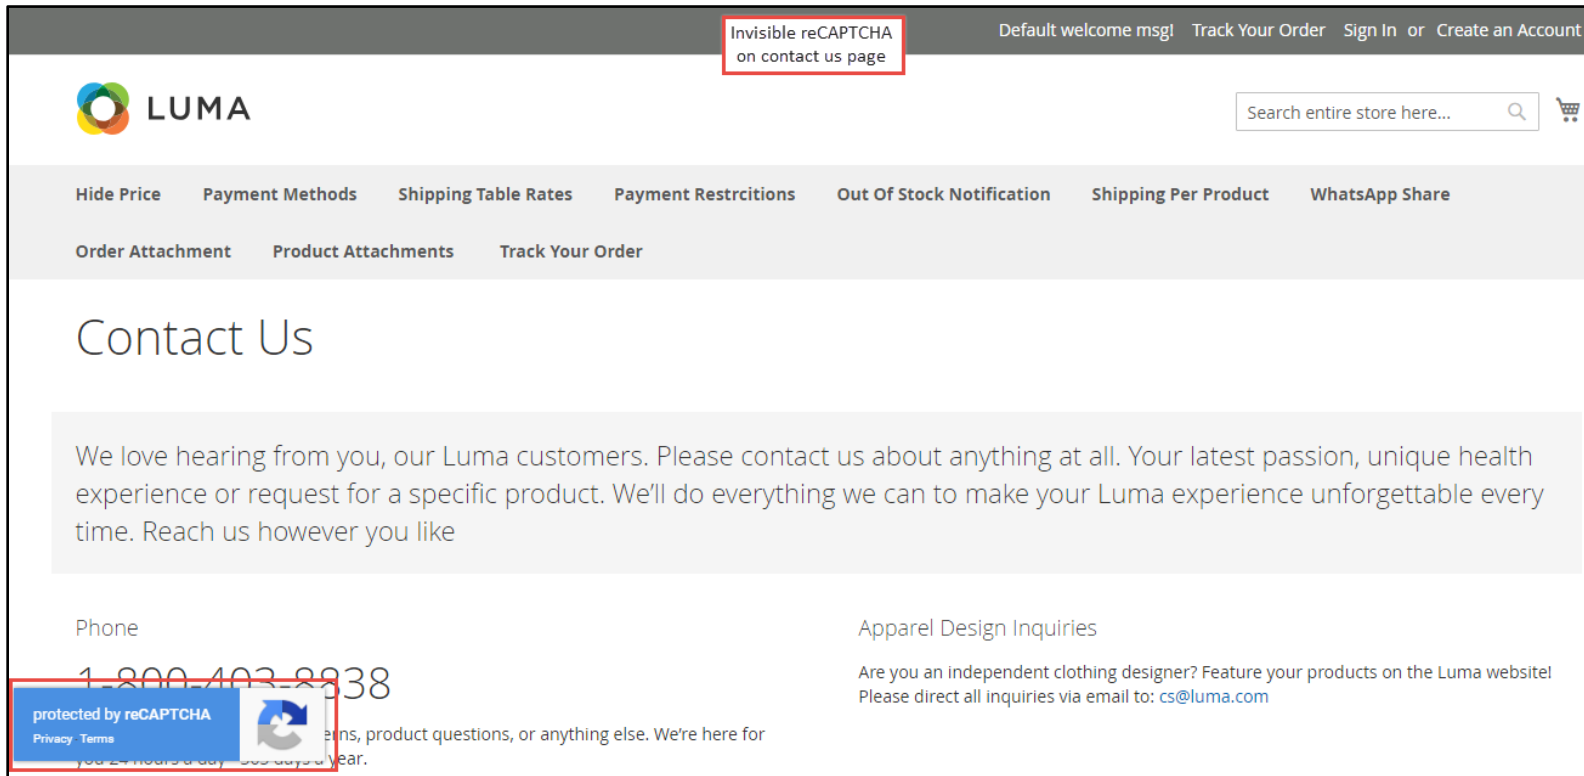

The screenshot shows the 'Create New Customer Account' page on the LUMA website. At the top right, a red-bordered box highlights the text: 'Google Invisible reCAPTCHA enabled on customer registration'. Below the navigation menu, the form includes fields for 'First Name *' and 'Last Name *', and a checkbox for 'Sign Up for Newsletter'. In the bottom right corner, a small reCAPTCHA badge is visible, also highlighted with a red border.

- **Invisible reCAPTCHA on Customer Login Page**

The screenshot shows the 'Customer Login' page. A red-bordered box highlights the text: 'Google Invisible reCAPTCHA enabled on customer login page'. Below the 'Registered Customers' heading, there are input fields for 'Email *' and 'Password *'. At the bottom, a blue reCAPTCHA badge is displayed inline with the text 'protected by reCAPTCHA' and 'Privacy Terms'. A red-bordered box labeled 'Badge position inline' points to the badge. Below the badge are 'Sign In' and 'Forgot Your Password?' buttons.

- **Invisible reCAPTCHA on Contact Us Page**

The screenshot displays the LUMA website's contact page. At the top right, a navigation bar includes links for "Default welcome msg!", "Track Your Order", "Sign In", and "Create an Account". The LUMA logo is on the left, and a search bar is on the right. A horizontal menu below the logo lists various services: "Hide Price", "Payment Methods", "Shipping Table Rates", "Payment Restrcitions", "Out Of Stock Notification", "Shipping Per Product", "WhatsApp Share", "Order Attachment", "Product Attachments", and "Track Your Order". The main heading is "Contact Us". Below it, a paragraph reads: "We love hearing from you, our Luma customers. Please contact us about anything at all. Your latest passion, unique health experience or request for a specific product. We'll do everything we can to make your Luma experience unforgettable every time. Reach us however you like". A phone number "1-800-403-8938" is displayed. To the right, there is a section for "Apparel Design Inquiries" with the text: "Are you an independent clothing designer? Feature your products on the Luma website! Please direct all inquiries via email to: cs@luma.com". At the bottom left, a blue reCAPTCHA widget is visible, with a red box highlighting it and a label "Invisible reCAPTCHA on contact us page" pointing to it. The widget contains the text "protected by reCAPTCHA" and "Privacy Terms".
